PROFILE

Moroccan-Senegalese Product Owner, trained in Dakar and Paris. I have worked in **pharma R&D, investment banking, central banking and a tech startup**: scoping workshops, User Stories, backlog, acceptance testing, then **AI and automation** for business teams. **PSPOI** certified, currently on an MSc in Project Management at NEOMA.

EXPERIENCE

Proxy Product Owner · Digital Solutions R&D Sept. 2026 – Sept. 2027

Servier, France's 2nd-largest pharma group · Digital Factory (Digital, Data, AI & IT) · Suresnes

Work-study · current

- **FederateS**, the Group's digital cockpit for therapeutic projects, working directly with the Global Digital Product Manager R&D
- Scoping workshops, **User Stories**, **Build & Run backlog** prioritization, acceptance testing and **user adoption** tracking

Assistant Product Owner, AI · Trade Finance Aug. 2025 – Sept. 2026

Société Générale CIB · La Défense Work-study

- Enhancements to Commodity Trade Finance software; led **UAT** for Financing Doc Store (Azure migration)
- **Citizen Developer**: Komgo vs AIITRA reporting tool, **-30% processing time**; Power Query tool consolidating credit data (TOMCAT/CAPTAIN)
- AI for Back and Middle Office: **Copilot** prompts adopted by Middle Office teams in Paris, Geneva and India; form auto-fill mini-app
- **Finalist, GBIS “AI for Clients” global hackathon** (80+ teams) with a Power Automate AI agent for Letters of Credit

Digital Project Officer · Case Management team Jan. – July 2025

Banque de France · IT Department (DGS1) · Paris Internship

- 14-person Scrum team on PEGA: **10+ User Stories**, 50+ agile ceremonies, user workshops
- **UX/UI** redesign of the Case Management portal (**10 Figma screens**), automated Jira form, paper on the PO role in PEGA projects

Intern, then Multimedia Project Officer Nov. 2022 – Nov. 2023

Socium, HR tech startup (\$5M raised in 2024) · Dakar Internship, then full-time

- Multimedia projects for **Orange, Auchan, Mazars, Heetch, Free** across 5 platforms: **+30% engagement**

Digital Communication Officer, promoted to Coach Sept. 2021 – Aug. 2023

Groupe ISM · Soft Skills Academy · Dakar Alongside studies

- Events for **5,000+ students**, led teams of 10+ volunteers; head of communication for the ISMIT Club

PROJECTS

Focal-Shift

MBA ESG · capstone · Sept. 2026

3-day hackathon validating my RNCP Level 7 title. I built the prototype (PHP/MySQL, REST API), GDPR compliance and the tagging plan.

AI & Trade Finance insight report

MBA ESG · June 2026

14-page report: trends, bank and vendor benchmark, PESTEL, SWOT, recommendations.

Yema Watch Club

MBA ESG · Mobile Apps · May 2026

Premium app for watchmaker Yema (AR try-on, members' club). **PO, UX/UI and project lead**: personas, specs, mockups.

Baykat · JUBOX

Groupe ISM · 2022 – 2023

Agricultural crowdfunding in Senegal (98-page deliverable); educational games, **Top 10 of 100+ projects** at the GEW hackathon.
